A Case of Gliosarcoma - Case Report -

Jung Yong Ahn, M.D., Seo Eui Kyo, M.D., Jin Yang Joo, M.D.

Department of Neurosurgery, Yonsei University College of Medicine, Seoul, Korea

Gliosarcoma is a rare malignant tumor of the central nervous system consist of gliomatous and sarcomatous elements. The authors report a case of gliosarcoma in the right frontal lobe. Sharp demarcation of the tumor from surrounding tissue and its superficial location may lead to complete removal and prolonged survival despite high malignancy.
